

Any Section marked with an “Issue Date” below is hereby incorporated into the Project Manual. Any Section revised after the IFB is released must include a “Revised Date”. Any Section revised or a new Section to be added to supersede the latest published document are as indicated and dated below and are hereby included in the Project Manual. Any Section included in the published book that are not included in the table below are not included in the Project Manual.

Discipline / Document Responsibility (DR) Legend
